## Georgia Boot Adds Glennville Collection for Fall 2015

NELSONVILLE, Ohio – Georgia Boot announces the new Glennville collection, work footwear designed to deliver comfort and value at job sites of every kind.

“The Glennville collection is ruggedly designed to work as hard as you do,” said Jordan Gottke, marketing director for Georgia Boot. “The versatility of these boots and the affordable price tag makes them the perfect fit for workers in a wide range of trades and with varied budgets for footwear.”

The Glennville boots are constructed with full-grain leather and 900D Cordura and feature the Georgia Waterproof System. The Goodyear welt construction allows for added durability and flexibility. A TDC polyurethane footbed and EVA midsole combine for added all-day comfort.

Styles include a six-inch lace up, eight-inch lace up and 10-inch Wellington. Both the six-inch and Wellington styles are available with an optional composite protective toe. Suggested retail prices range from \$139.99 to \$169.99.

For over 75 years, Georgia Boot® has been a leader in the work footwear market. Based in Nelsonville, Ohio, the company manufactures and markets quality work and outdoor footwear. The company's products are available in nearly 3,000 retail and catalog outlets. It is a division of Rocky Brands, a publicly traded company on NASDAQ® under the symbol: RCKY.
